OBJECTIVE

An astute machine maintenance professional with 3 years 6 month of cross functional experience within the realm of Electrical /Electronics/servo presses /proximity sensors/Conventional machines seeking a career a challenging and dynamic environment in Auto Electrical Component Or Automobile manufacturing industries

PROFILE SUMMARY

- Competent professional with 3 years evant experience in maintenance and trouble shooting of machines.
- Demonstrated excellence in planning and scheduling of maintenance activities to ensure smooth and trouble free productivity.
- Demonstrated excellence in working control panel,power units,and Special Purpose Machines.
- Willingness and ability to quickly adapt to new environments and learn new technologies.
- An individual with capability of taking decisions and very high on adapting to change.
- Effective analyst,problem solver and communicator.

AREA OF EXPERTISE		
. CONTROL PANEL	ELECTRICAL WIRING &ROOTING	. PLC
HMI	SERVO DRIVE	VFD

TECHNICAL SKILLS

- Reading machine drawings, electrical circuits and PLC circuit.
- Maintenance and trouble shooting of Special Purpose machines.
- Designing and trouble shooting of Electrical Circuits for Industrial Automation Applications.
- Designing and trouble shooting of PLC Circuits for Industrial Automation Applications.
- Exposure in Electrical and PLC equipment.
- Preventive Maintenance.
- Condition Based Maintenance.
- Proactive Maintenance.

PROFESSIONAL OUTLINE

Lucas-TVS Ltd, Padi, Chennai

Manufacturers of Auto Electrical Components.-3 YEARS

- Machines Handled Hydraulic and servo presses, Electronics equipments, Electrical Equipments , Conveyor. SPM machines, process plants. Varnish plants,
- CNC machines,PC based machines,INDUSTRIAL PC
- Type of Job Responsibility Maintenance and Trouble shooting of machines and machine wise improvements and modifications

CATERPILLAR PVT LMD, THIRUVALLUR

Leadac India PVT LMD - (6 month)

- **MACHINE HANDLE** : ASU, Burnner, control pannel, Birthing compressor, oil compressor, 2k paint pormixer
- ABB 7axis Robot basics

Vikram Solar Limited – Vallam

Duration: 6 Months

- Worked in maintenance of solar production machines
- Handled framing, automation, and testing machines
- Performed basic troubleshooting and machine support
- Learned basics of 7-axis robot (Inovance)
- Provided Garco pump service support
- Assisted in ensuring smooth machine operation

TRAINING SKILLS

- **Manufacturing Excellence Training (TNASDC)**

Mini Projects

- Power Saving
- Customer Product Power Consumption Alarm System
- Machine Interlock
- Poke yoke

ACADEMIC DETAILS

- 10th passed in State board with 68%
- Diploma in Electrical & Electronics Engineering Passed in DOTE with 79%

PERSONAL DETAILS

Name : Sivaranjan .T

Date of Birth : 09.09.2002

Martial Status : Unmarried

Nationality : Indian

Language known : Tamil,English.

DECLARATION

I hereby declare that the information furnished above is true.I would provide you the adequate evidence during the interview.

Date ;

Yours faithfully
